

**MENTORING PROGRAM REGISTRATION  
For New Attendees and Mentors**

Major Orchestra Librarians' Association  
28th Annual Conference  
April 9 - 12, 2010  
Omaha, Nebraska, USA

Whether you are attending our conference for the first time, or the twenty-eighth time, the Major Orchestra Librarians' Association would like to extend our welcome to you by giving you the opportunity to participate in the MOLA Mentoring Program.

The intent of the program is to be simple and informal. If this is your first conference, or you are relatively new to MOLA, a mentor can provide a friendly and supportive contact shortly before, throughout, and perhaps after the annual conference, to answer questions about the structure of and resources offered by MOLA, to explain the functions of the conference, and to introduce the newer attendee to other MOLA librarians. Conversely, as a more experienced member of MOLA, you may feel encouraged to provide that support to our newcomers. You'll be paired and introduced via e-mail prior to the conference by Membership Committee member Sarah Bowman. On Friday evening, April 9 at 7:30PM there will be a reception for all our mentors, mentees, and new member applicants, as well as committee chairs. This will be a wonderful opportunity to meet others and get acquainted.

If you would like to participate in the program please complete this form and email, fax, or mail it to:
